

DEATHS

LOUIS BOATRIGHT, a well-known retired farmer of the Herndon vicinity who has resided on Capitol Hill for some time, died Monday at 7 p. m., of diabetes, aged 59 years, 10 months and 9 days. He is survived by a wife and two daughters. Mr. Boatright was a son of Mr. and Mrs. Wm. G. Herndon who are still living. Funeral services were held at the M. E. Church South at 2:30 p. m. Wednesday.

LEATON-Jean, the little two-year-old daughter of Mr. and Mrs. John Leaton, of near Napton, died Saturday, August 10, of inflammation of the bowels. The burial took place Sunday at 2 o'clock at Smith's Chapel.

BORCHERS-Dora, the infant daughter of Mr. and Mrs. John Borchers, of Elmwood, was born Dec. 10, 1911, and died Aug. 8, 1912. Little Dora was laid away to await the morn of the resurrection. Death was caused by whooping cough and stomach trouble. Another little lamb has gone to dwell with him who gave. Another little darling babe is sheltered in the grave. God needed one more angel child amidst his shining band. And so he bent his loving smile and clasped that darling's hand. A friend.

JAMES M. JACKSON, aged 80 years, 7 months and 28 days died Thursday, August 8 at the home of his son-in-law, R. T. Ham, in Slater. Funeral services conducted by Rev. Wm. F. Roberts were held at the residence Wednesday afternoon and burial was at the city cemetery.—Slater News.

MRS. RUSSELL STONE, formerly Miss Carrie Barnett, passed away at her home in Excelsior Springs Tuesday night after a long illness.

Mrs. Stone was married to the surviving husband about two years ago, and since the birth of their little boy a year ago, has been in poor health. In an effort to restore her health an operation was resorted to and while it seemed favorable at first, she grew suddenly worse and died.

She was 15 years old and the last child of Mrs. Minnie Barnett who has laid to rest her entire family in a few years and is now alone.

The remains were brought to Marshall on the C. & A. noon train yesterday and taken to the First Presbyterian church, and after services conducted by Rev. Xenophon Ryland of Lexington were laid to rest in Ridge Park cemetery.

His Father Dead

L. F. Layhe, one of our leading merchants, was called to Lancaster last week on account of the serious illness of his father, Henry A. Layhe. He passed away Saturday at 10 a. m. at the advanced age of 78 years, eight months and one day. He and his surviving wife were born near Berlin, Germany, but came to this country as children. He is also survived by six sons and two daughters. Mr. Layhe had been a successful farmer till he retired about 15 years ago. The last three years he had suffered much from cancer. He was a member of the Lutheran church and Masonic lodge. The funeral was held at the Christian Church in Lancaster Monday conducted by Rev. Rosenstengel, of Carthage, Ill., a life-long friend of deceased.

MISS MARY BELLE HARPER, col., was born March 23, 1893, and departed this life Thursday morning August 8, about 8 o'clock, aged 19 years, 4 months and 10 days. She was sick but a short time. At the time she was taken ill, she knew not our blessed Savior, but soon realized she could not bear her burdens alone. She put all her trust in God and told Mrs. Walker that she would soon be going home. On Monday morning she asked some neighbors to sing "I love the Lord, He heard my cries," and joined in the song, then asked them to pray and rejoiced. She told her sister Ethel she could read the same book that she did as she was wearing death's cold and chilly stream. She asked her mother if she was going to help her to rest, then raised herself in bed and said "get back and let me

pass, then life was over. She was loved by all who knew her. She leaves to mourn her sad death a devoted father and mother, two sisters and three brothers besides a host of friends.

She was buried Saturday morning August 10 at 11 o'clock at Salt Pond cemetery. Services were conducted by Rev. Reynolds of Marshall. A friend.

Our Tenth Anniversary

It is ten years today that the editor came to Marshall to take charge of this paper and it is with pleasure that we look back over these ten years.

At the time, all our contemporaries predicted a failure, but the Republican has been the most successful paper in Saline, gaining a place at the head of the list from the very foot. We will admit having worked hard and faithfully for our readers, each of whom we have considered a friend, but this would not have brought success had we not been given encouragement in a financial way. It is this support which showed us who our friends are, and which has made our business a success. And it is to these loyal supporters we extend hearty thanks and promise to merit their continued support to the best of our ability.

The Republican owes its first duty to its readers, regardless of social position, politics or religion, and while the paper is Republican in politics, we feel that there are things in the party at times that our readers should know so that they may act wisely and conscientiously. We strive never to dictate or mislead.

Financially our business has grown until we are doing more business in a month than we did in a year ten years ago. We have kept our promise of constantly improving the paper and to this end have installed some late and very expensive machinery and will continue to improve our equipment as we are able to do so. There are no dark clouds ahead as some have feared on account of the political condition. We have so far lost less than a dozen subscribers and while we may lose a hundred or more, it would not make a noticeable difference in our business. The only dissatisfaction comes from Malta Bend where several people have made it their business to try to injure us, but a visit there last week convinced us that even there three-fourths of our friends are loyal.

A paper which can be counted on as reliable at all times, must not be run by any clique that may come along or be scared by threats and the Republican has outlived repeated assaults, even though costly at times. We have gained ten fold by securing the confidence of our readers and a clear conscience for ourselves.

Again thanking each and every one of our readers and with hearty good wishes we are

Very respectfully,
J. J. Witt, Editor.

Methodist Church Burned

The Methodist church on Marion street burned Tuesday night about ten o'clock. There was a severe thunder storm about 8 o'clock and it is thought the church was struck. The fire was not noticed till ten o'clock when the edifice was a mass of flames and the fire department had its hands full in saving the residence adjoining. The building was comparatively new and was of brick being one of our handsomest churches. The walls and foundation are standing so that there will be considerable salvage. The Christian Science congregation has been renting the church the past several years.

The church was built 15 years ago at a cost of \$11,100. There was \$5000 insurance on the building. The trustees are M. C. Chaffee, L. H. Hightshoe, Louis Pouchner, Henry Krumsick and P. P. Luse.

A Near Fire

What might have proved a bad fire was "nipped in the bud" by effective work of our fire department at 5 a. m. Tuesday. F. P. Williams confectionery on the south side of the square was found to be afire and on breaking into the place the basement was found ablaze, but the fire was confined to the basement and put out after half an hour.

Killed by Lightning

Jacob VanDyke lost a valuable Jersey cow by lightning Tuesday night and now has lost faith in the saying that lightning doesn't strike twice in the same place, as several horses were killed under the same tree some time ago. He said it was the finest cow in Marshall and he wouldn't have sold her for \$150.

Will Go Into Society

Some ambitious tall young man is probably "shining" in society by this time. J. K. Hullinger's residence at 262 W. Jackson was robbed last Friday evening between 8 and 9 o'clock, while they were at a picture show, and an overcoat, two pairs of pants, coat, new suit case, two watches, two gold rings belonging to Mrs. Hullinger and other things were taken, valued at over \$100. Mr. Hullinger says the man must have been tall as he reached some things from a shelf while standing on the floor. He gained entrance by cutting a screen in the rear of the house.

Friday night a burglar made a good haul at Wingfield Bros. second-hand store, getting away with \$100 worth of goods. Jas. Wingfield informed us that \$200 cash, two Stetson hats, a Winchester pump rifle, tobacco, etc., were stolen. Entrance was gained by prying off the padlock on the front door.

The same night Dyrast's grocery store near the C. & A. depot was burglarized, but only a few rennies and a ham were missed. Entrance was made by breaking a front glass and opening the door.

Birthday Surprise

Mr. and Mrs. J. F. Farmer were pleasantly surprised Sunday, August 11th, this being the latter's 58th birthday anniversary, when their eight children, wives and husbands and eleven grand-children and a few friends gathered at their home on 56 Summit St. They wanted it a surprise so the mother was invited to Mrs. W. C. Thompson to spend the day and the children all came early with well filled baskets, so the table was set with all the good things to eat—good old country ham, fried chicken, salads, fruits, ice cream, cakes and other things too numerous to mention. At twelve the mother was called home and you may imagine her surprise on finding them there. Those present were: Mr. and Mrs. Perry Farmer and daughter; Mr. and Mrs. Clarence Chapman, four sons and three daughters; Mr. and Mrs. Walter Farmer and daughter, and Bennie Farmer, all of Mt. Olive, Mr. and Mrs. Joseph Herndon and two sons of near Herndon and Susie, John and Martin, at home. The outside guests were Jack Adams from Ill., the only uncle living of Mrs. Farmer, and Mrs. Chapman from Kansas. At a late hour the children departed wishing mother many more happy birthdays. A. F.

Their children and families were all present, as follows: Rolla Nichols, wife and two children, of Kansas City; Oscar Heying, wife and child, of Miami; Clarence Heying and Henry Heying and wife of Shackelford. Also Isaac Hill and family of this city. A good dinner and social pastime made the day a pleasant one.

Back From South America

The many friends of Cliff B. Goodwin were glad to see him home safe after a long trip to South America and Europe. He went as a member of the Elden-Baker Grocer Co. representing the National Coffee Roasters Association and he and the other nine delegates had their expenses paid as guests of the Brazilian government. He said the countries they visited in South America were very prosperous, and that while cattle are much lower, sugar and produce is about the same price as here.
